

INTERNATIONAL SITE SUPERVISOR

INTERNATIONAL SITE SUPERVISOR

The Site Supervisor is responsible for the correct progress of the installation of the modules/machines assigned to him on site. He is responsible for the correct technical execution of the duties. He must inform the site manager in a timely fashion regarding the duties, progress and bottlenecks.

During the SAT he is responsible for the correct attuning and/or coordination of duties, in order to be able to ensure an orderly and safe testing environment.

WE ARE LOOKING FOR

This position requires both extensive similar experience with international site supervising projects and the willingness to travel for a minimum of 70% per year for an estimated 6 weeks per journey.

YOUR PERFORMANCE PROFILE

General tasks

- Securing documents, drawings, checklists etcetera, required for the assembly and start-up;
- Supervising the employees provided by the client when installing and starting up the modules/machines;
- Deployment of means such as cranes, forklift trucks and mobile scaffolding that are necessary for the works;
- Ensuring an optimum order of assembly;
- Accountability of hours of assigned TMC employees and contractors;
- Notifying the site manager of contract variations;
- Registration of hours and means of contract variations;
- Monitoring adherence to the checklists;
- Management of tools;
- Technically correct execution of installation duties;
- Duties regarding the training of the client's personnel during the assembly and start-up period;

- Coordination of the duties of the various disciplines during SAT;
- Quality control of the duties carried out by personnel employed by TMC.

WHAT YOU CAN EXPECT OF TMC

We offer excellent contractual arrangements, based on our unique 'Employeneurship' business model:

- Market level salary, based on education and experience;
- Individual profit sharing;
- A personal education and coaching budget to develop your career;
- A permanent contract;
- Employment by specialized business cells;
- Mobility and relocation reimbursement;
- Collective health insurance;
- Involvement in the development of the company;
- Non-competition clause.
