

## FEMALE LEADERSHIP SUMMIT

Time: June 30, from 10:00

Place: Kronprinsesse Märthas Plass 1, Oslo

# A PATHWAY TO PROFESSIONAL GROWTH

**A career in management consulting is a unique opportunity for you to advance your skillset and grow professionally. Join our Female Leadership Summit in Oslo on June 30 to explore what being a consultant at Bain can offer. Whether you study business, engineering, medicine or law, this summit is for you.**

### WHAT'S THE SUMMIT ABOUT?

We've planned a day full of opportunities for you to develop your skills, broaden your horizons, build a network of fellow students and connect with Bain consultants.

Workshop and sessions will be centred around:

- Inspirational leadership and how to flourish in your career
- Life as a management consultant (personal stories and project examples)
- Exploring your personal preferences and how to use these in case teams
- The Bain recruiting process and how to succeed in the case interview

As an essential part of your development, you'll receive sparring and feedback from Bain consultants and get plenty of opportunities to network throughout the day.

### SOUND LIKE SOMETHING FOR YOU?

Anyone enrolled in a bachelor's program can apply for the Female Leadership Summit. Send us your application **here** no later than May 1. Please include your CV, grade transcripts and a short motivation letter emphasizing why you would like to take part in the summit. For students traveling from outside of Oslo, all transportation costs will be covered.

If you have any questions, please reach out to Rebecca Rosell-Helland at [oslo.recruiting@bain.com](mailto:oslo.recruiting@bain.com)

If circumstances allow, we'll host the Female Leadership Summit in person, but we'll also be able to complete the summit virtually. In either case, we will of course comply with restrictions.
